SUBJECT: SECOND READING - LAND DEVELOPMENT REGULATIONS TEXT AMENDMENT FOR DETACHED AFFORDABLE DWELLING UNITS IN THE RESIDENTIAL SINGLE-FAMILY (R1) AND (R1M) ZONING DISTRICT

Background:

The Village Council directed Staff to amend the Village's land development regulations to allow for detached deed-restricted affordable housing dwelling units within the R1 and R1M Zoning District. The current regulations allow for a maximum of four (4) units of attached deed-restricted affordable housing on lots that front U.S.1 provided that the minimum lot sizes as established in Section 30-684(e)(1) of the Village Code of Ordinances (the "Code") are met.

The proposed Ordinance would amend Chapter 30, Article V, Division 2, Zoning Districts, Section 30-684 *Residential Single-family (R1) and (R1M) Zoning District* of the Village Code to allow for detached deed-restricted affordable housing dwelling units on lots fronting U.S. 1.

At the July 11, 2016 Local Planning Agency (LPA) Meeting, the LPA voted 4-0 to recommend approval of the proposed ordinance. At the July 21, 2016 Village Council Meeting, the Village Council voted 5-0 to recommend approval of the proposed ordinance and directed Staff to amend the regulations to include a density increase for lots that front on Old Highway. Subsequently on November 3, 2016, the Village Council directed Staff to move forward with the proposed Ordinance as originally presented. Staff will bring forward a separate ordinance to address the request to increase density on R1 and R1M zoned lots that front on Old Highway.

Analysis:

The proposed amendment would allow for the development of deed-restricted affordable housing on lots fronting U.S. 1 consistent with the minimum lot sizes as established in Code Section 30-684(e)(1) but would not require the units to be attached. Compliance with the Comprehensive Plan and Land Development Regulations would be required, including compliance with Code Chapter 30, Article V, Division 4 *Environmental Standards*.

The proposed Ordinance maintains consistency with the Goals, Objectives, and Policies of the Comprehensive Plan, including but not limited to:

- Policy 1-2.1.4: Restrict Density and Intensity of Development;
- Goal 1-3: Limit Growth Within the Village;
- Objective 1-3.1: Implement Limited Growth Objectives and Policies;
- OBJECTIVE 3-1.1: Provide Adequate Affordable Housing to Meet Current and Future Needs;
- Objective 3-1.1: Provide Adequate Affordable Housing to Meet Current and Future Needs;
- Policy 3-1.1.2: Dedicate Sufficient Residential Dwelling Unit Allocations to Affordable Housing;
- Policy 3-1.1.3: Identify and Address Barriers to Affordable Housing Within the Land Development Regulations; and
- Policy 3-1.1.4: Recognize the Deficiency of Workforce Housing Within the Village.

Budget Impact:

None.

Staff Impact:

Staff impact is limited to the drafting of the proposed Ordinance.

Recommendation:

It is recommended that the Village Council pass and adopt the proposed Ordinance on second reading.
