

RESOLUTION NO. 41-17

A RESOLUTION OF THE CITY OF PENSACOLA, FLORIDA, RELATING TO THE PROVISION OF STORMWATER MANAGEMENT SERVICES PROVIDED BY THE CITY'S STORMWATER UTILITY; REIMPOSING STORMWATER SERVICE ASSESSMENTS AGAINST DEVELOPED PROPERTY LOCATED WITHIN THE STORMWATER SERVICE AREA FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2017; APPROVING THE RATE OF ASSESSMENT; APPROVING THE ASSESSMENT ROLL; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Council of Pensacola, Florida, has enacted Ordinance No. 52-00 (the "Ordinance"), which authorizes the imposition of Stormwater Service Assessments against real property specially benefited by the City's Stormwater Management Services;

WHEREAS, the reimposition of a Stormwater Service Assessment is an equitable and efficient method of allocating and apportioning the cost of the City's Stormwater Management Service among parcels of property that are specially benefited thereby;

WHEREAS, the City Council desires to reimpose a stormwater service assessment program using the tax bill collection method for the Fiscal Year beginning on October 1, 2017;

WHEREAS, in order to reimpose Stormwater Service Assessments for the Fiscal Year beginning October 1, 2017, the Ordinance requires the City Council to adopt an Annual Stormwater Service Assessment Resolution during its budget adoption process for each Fiscal Year, which establishes the rate of assessment and approves the updated Stormwater

Assessment Roll for the upcoming Fiscal Year, with such amendments as the City Council deems appropriate, after hearing comments and objections of all interested parties;

WHEREAS, the updated Stormwater Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

WHEREAS, notice of a public hearing has been published and mailed as required by the terms of the Ordinance, which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Appendix B and the proof of publication being attached hereto as Appendix A; and

WHEREAS, a public hearing has been duly held on August 10, 2017 and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF PENSACOLA, FLORIDA, AS FOLLOWS:

SECTION 1. AUTHORITY. This resolution is adopted pursuant to the Ordinance, the Amended and Restated Initial Assessment Resolution (Resolution No. 18-10), the Amended and Restated Final Assessment Resolution (Resolution No. 36-10), sections 166.021 and 166.041, Florida Statutes, the Charter of the City of Pensacola, Florida, and other applicable provisions of law.

SECTION 2. DEFINITIONS.

(A) This resolution is the Annual Stormwater Assessment Resolution for the imposition of Stormwater Service Assessments.

(B) All capitalized terms in this resolution shall have the meanings defined in the Ordinance, the Amended and Restated Initial Stormwater Service Assessment Resolution, and the Amended and Restated Final Stormwater Service Assessment Resolution.

SECTION 3. APPROVAL OF STORMWATER ASSESSMENT ROLL. The updated Stormwater Assessment Roll, which is currently on file in the office of the City Clerk and incorporated herein by reference, is hereby approved.

SECTION 4. REIMPOSITION OF STORMWATER SERVICE ASSESSMENTS.

(A) It is hereby ascertained, determined, and declared that each parcel of Assessed Property within the Stormwater Service Area will be specially benefited by the City's Stormwater Management Services in an amount not less than the Stormwater Service Assessment for such Tax Parcel, computed in the manner set forth in the Amended and Restated Initial Assessment Resolution, and set forth in the updated Stormwater Assessment Roll. Adoption of this Annual Stormwater Service Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance and the Amended and Restated Initial Assessment Resolution from the

Stormwater Management Services to be provided and a legislative determination that the Stormwater Service Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Amended and Restated Initial Assessment Resolution.

(B) The method for computing and apportioning the Stormwater Service Assessments described in the Amended and Restated Initial Assessment Resolution is hereby approved.

(C) For the Fiscal Year beginning October 1, 2017, the estimated Stormwater Service Cost of \$2,838,800.00 shall be allocated among all parcels of Assessed Property, based upon each parcel's number of Net ESUs. An annual rate of assessment equal to \$72.24 per Net ESU is hereby imposed for each Tax Parcel of Developed Property. Stormwater Service Assessments for Stormwater Management Services in the amounts set forth in the updated Stormwater Assessment Roll, as herein approved, are hereby levied and imposed on all Tax Parcels of Assessed Property described in the Stormwater Assessment Roll for the Fiscal Year beginning October 1, 2017.

(D) The Stormwater Service Assessments shall constitute a lien upon the Tax Parcels so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien for the Stormwater Service Assessments shall be deemed perfected upon adoption by the City

Council of this Annual Rate Resolution and shall attach to the property included on the Stormwater Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

(E) As authorized in the Ordinance, interim Stormwater Service Assessments are also levied and imposed against all property for which a Certificate of Occupancy is issued after adoption of this Annual Stormwater Service Assessment Resolution based upon the rates of assessment approved herein.

SECTION 5. COLLECTION OF STORMWATER SERVICE ASSESSMENTS.

(A) The Stormwater Service Assessments shall be collected from all Assessed Property, except Government Property, pursuant to the Uniform Assessment Collection Act. The Stormwater Utility Director is hereby authorized and directed to certify and deliver or cause the certification and delivery of the Stormwater Service Assessment Roll to the Tax Collector by September 15, in the manner prescribed by section 197.3632, Florida Statutes. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate to Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

(B) The Stormwater Service Assessments shall be collected from all Government Property in accordance with Section 4.04 of the Ordinance. The Council hereby directs the Stormwater Utility Director to mail said bills no later than November 1, 2017.

SECTION 6. EFFECT OF ADOPTION OF RESOLUTION. The adoption of this Annual Stormwater Assessment Resolution shall be the final adjudication of the issues presented herein (including, but not limited to, the apportionment methodology, the rate of assessment, the adoption of the Stormwater Assessment Roll and the levy and lien of the Stormwater Service Assessments), unless proper steps shall be initiated in a court of competent jurisdiction to secure relief within 20 days from the date of this Annual Stormwater Assessment Resolution.

SECTION 7. EFFECTIVE DATE. This resolution shall become effective on the fifth business day after adoption, unless otherwise provided pursuant to Section 4.03(d) of the City Charter of the City of Pensacola.

DULY ADOPTED this 10th day of August, 2017.

The Stormwater Service Assessments have been imposed to fund the City's cost to provide S Service in the area shown above. The Stormwater Service Assessments are based upon th stormwater runoff generated by impervious surface on the property. Impervious surfaces inclu driveways, parking lots and similar areas. The City has determined that the median single-Stormwater Service Area includes 2,998 square feet of impervious surface, which is defin stormwater unit value" or "ESU Value." The annual Stormwater Service Assessment rate for it will be \$72.24 for each Net ESU.

Generally, the number of ESUs were calculated individually for each parcel of property by divid face area by 2,998 square feet. Credit for privately maintained Stormwater management faciliti fecting the quantity or quality of Stormwater runoff has also been applied, resulting in an ass more specific description is set forth in the Amended and Restated Initial Stormwater Assessmer the City Council on July 22, 2010. Copies of the Stormwater Services Assessment Ordinance Amended and Restated Initial Assessment Resolution (Resolution No. 18-10), Amended and Restat olution (Resolution No. 36-10), and the preliminary assessment roll are available for inspection Clerk, 222 West Main Street, 7th Floor, Pensacola, Florida.

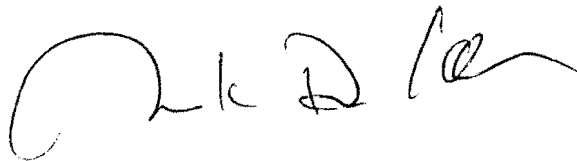

The Stormwater Service Assessment, except for those imposed on government property, will be property ad valorem tax bill that is mailed in November by the Escambia County Tax Collec Stormwater Service Assessment will cause a tax certificate to be issued against the assessed proper loss of title.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Ashton J. Hayward, III, and Tammy Peters, who, after being duly sworn, depose and say:

1. Ashton J. Hayward, III, as Mayor of the City of Pensacola, Florida ("City"), pursuant to the authority and direction received from the City Council, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with the Stormwater Utility Ordinance adopted by the City Council on November 16, 2000 (the "Ordinance").

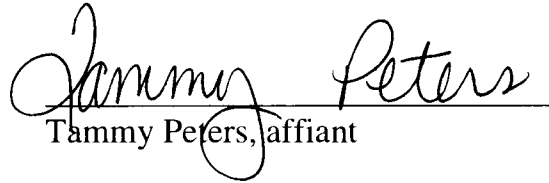

2. Tammy Peters, is Office Manager for Government Services Group, Inc. ("GSG"). GSG has caused the notices required by the Ordinance to be prepared in conformance with the Initial Assessment Resolution. An exemplary form of such notice is attached hereto. GSG has caused such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the City expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before July 20, 2017, GSG caused the mailing of the above-referenced notices in accordance with the Ordinance and the Initial Assessment Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Escambia County Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

******* NOTICE TO PROPERTY OWNER *******

Dear City of Pensacola Property Owner:

The past decade has brought increased awareness of the detrimental environmental impacts associated with stormwater runoff from developed property including degradation of surface waters, land erosion, flooding and collection of standing water on streets and property. In 2001, in response to public demand and increased federal regulations, the City initiated efforts to improve stormwater management services and provide a dedicated funding source for these services by creating a stormwater assessment program to generate revenues. The original stormwater assessments were imposed and collected on the November 2001 tax bill and subsequent years. The City updated the stormwater assessment program in 2010.

If you are receiving this letter, your property falls within the area receiving stormwater management services from the City. Stormwater service assessments are based upon the estimated amount of stormwater runoff generated by impervious surface on your property. Impervious surfaces include the rooftop, patios, driveways, parking lots and similar areas. The City has determined that the median single-family residence in the Stormwater Service Area includes 2,998 square feet of impervious surface, which is the value of one "equivalent stormwater unit" or "ESU Value." Single-family residential properties are categorized into one of five ESU tiers based on the estimated amount of impervious area associated with each parcel (computed by using the building footprint of the residence). Condominium and townhouse residential units are charged generally by calculating the total number of ESUs applicable to the condominium or townhouse complex as a whole, then dividing that total number of ESUs by the total number of condominium residential units on the property. For general parcels, such as commercial parcels, the number of ESUs has been calculated individually for each parcel of property by dividing the impervious surface area by 2,998 square feet. Credit for privately maintained stormwater management facilities and other factors affecting the quantity or quality of stormwater runoff has also been calculated, if applicable, resulting in the assignment of Net ESUs. The annual Stormwater Service Assessment rate for Fiscal Year 2017-18 will be \$72.24 for each Net ESU. The maximum Stormwater Service Assessment rate that can be imposed without further mailed notice for future fiscal years is \$72.24 for each Net ESU. It is estimated that the City will collect \$2,838,800 from the Stormwater Service Assessments for Fiscal Year 2017-18.

The above referenced parcel has been assigned the following Net ESUs and assessment amounts:

Number of Net Equivalent Stormwater Units (ESUs): 1.00

The FY 2017-18 annual stormwater assessment for the above parcel is: \$72.24

The maximum annual stormwater assessment that can be imposed without further notice for future fiscal years is \$72.24.

The City Council will hold a public hearing at 5:30 p.m. on August 10, 2017, in the City Council Chambers located at City Hall, 222 West Main Street, Pensacola, Florida. Comments will be received on the proposed Stormwater Service Assessments, including their collection on the ad valorem tax bill. You are invited to attend and participate in the hearing. You may also file written objections with the City Council within twenty (20) days of the date of this notice. Please include your name, parcel number, and the reason you object to the assessment on all written objections. Objections should be forwarded as follows: Mayor; Objections to Non ad Valorem Assessments; P.O. Box 12910, Pensacola, Florida 32521. If you decide to appeal any decision made by the City Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the City Clerk at (850) 435-1606 at least 48 hours prior to the date of the hearing.

Because the Stormwater Service Assessment will be collected by the Tax Collector of Escambia County, pursuant to Chapter 197, Florida Statutes, failure to pay the Stormwater Service Assessment will cause a tax certificate to be issued against the assessed property, which may result in a loss of title to your property.

If you have any questions regarding the number of Net ESUs assigned to your property or the amount of the Stormwater Service Assessment, please contact Customer Service by telephone at (850) 435-1800.
