**Executive Summary:** The South Florida Water Management District strongly encourages local governments to adopt an ordinance in accordance with Rules 40E-24.201 and 40E-24.301, F.A.C. The Town adopted a water conservation ordinance via O-2010-018. The Town must update the ordinance to be in compliance with SFWMD. The updates include changing the cited Florida Administrative Code to reflect the recent numbering changes, requiring users who install automatic landscape irrigation systems to have technology that inhibits operation of the system during periods of sufficient moisture, and allows for specific variances to the requirements set forth in the water conservation code.
