### 1. Nature and purpose of agenda item:

This item is to notify the Public and the Board of a Special Meeting of the Board of County Commissioners to be held September 9, 2021 at 5:30 p.m.

Traditionally, the Board holds these public hearings as part of the first regular meeting in September, which would have been September 2. However, the Truth in Millage (TRIM) regulations specifically require the first public hearing to be held between September 3 and September 18. The Date of the hearing had to be included in the Taxing Authority certification that is due prior to August 4. For this reason, the Chair of the Board of County Commissioners called for a Special Meeting on September 9, 2021 for the purpose of holding the budget related First Public Hearings.

### 2. Recommended Motion/Action:

This is for notification purposes.

### 3. Fiscal impact on current budget.

This item has no effect on the current budget.
