

CITY COUNCIL AGENDA STATEMENT

Meeting Date: November 15, 2022
To: City Council
From: Brian Shea, Planning Director
Through: George Garrett, City Manager

Agenda Item: **Ordinance 2022-25**, An Ordinance of The City Of Marathon, Florida, Amending Chapter 102 “Subdivision of Land/Plats and Replats’; Providing For The Repeal Of All Code Provisions And Ordinances Inconsistent With This Ordinance; Providing For Severability; Providing For Inclusion In The Code Of Ordinances, City Of Marathon, Florida; And Providing An Effective Date.

APPLICANT: City of Marathon

REQUEST: The ordinance amends Chapter 102 “Subdivision of Land/Plats and Replats’

BACKGROUND:

The City of Marathon staff reviewed existing code and found inaccuracies that require text amendments.

The proposed Ordinance does the following:

~~Strikethrough~~ = deletion **bold underline** = addition

SECTION 1. The above recitals are true, correct, and incorporated herein by this reference.

SECTION 2. Amend Chapter 102, Article 10 to read as follows:

Section 102.46 Simple Subdivision

A. Application Requirements: The submittal requirements and review procedure for all requests for a simple subdivision shall be in accordance with Chapter 102 and shall provide the following minimal information:

1. Proof of Ownership of the parcel or parcels proposed for simple subdivision or reconfiguration.
2. An independent survey of each of the proposed parcels or reconfigured parcels including an identification of the parent parcel in the survey.

B. Review and Approval Procedure

1. The Director or his designee shall review the applicant for the proposed simple subdivision taking the following criteria into consideration:

- a. The Simple Subdivision procedure is an administrative process conducted by the Director in coordination with other City staff including

the Public Works and Utilities Directors.

b. With the exception of the proposed subdivision of a parcel with a duplex residence, the resultant parcels of a simple subdivision or reconfiguration shall meet all the minimum lot area, density, intensity, clustering, and dimension requirements of the City’s Land Development Regulations.

c. Otherwise, the following requirements of the following subsections apply.

C. Notice

1. Notice is not required for a Simple Subdivision.

D. Approval of a Simple Subdivision is a ministerial function which should receive approval so long as all criteria in the review process are met.

E. Division of one (1) parcel into two (2) parcels: A legal lot of record may be divided into two (2) separate lots, parcels, tracts, or other subdivision of land, without complying with the subdivision requirements of this article, through the simple subdivision review process, provided all the conditions below are met:

1. The legal lot of record has frontage on and has direct access to an existing publicly maintained street. The access may be provided by a legally established joint driveway access to the public street in lieu of public street frontage for both lots upon approval by the City and City Attorney. The minimum lot area to allow subdivision, the minimum resulting lot area and street-front lot width for all Land Use Districts are as follows:

Section 102.47 Minor And Major Subdivision

A. Application Requirements: The submittal requirements and review procedure for all minor and major subdivision development plans shall be in accordance with Chapter 102 and shall provide the following minimal information:

The preliminary subdivision plan for both a minor or major subdivision (and plat) shall be submitted on black or blue line prints drawn at an acceptable scale such as 50 feet to the inch on sheets no larger than 34 by 44 inches. The principal difference between a Minor and Major Subdivision lies in whether the subdivision proposes the approval of new streets which may be dedicated to the City of Marathon (or remain as private streets). The plan drawing shall include the following:

1. All materials required under Section 102.01 "Application Forms", except as modified by specific requirements below.
2. A boundary survey of the lands to subdivided and platted. However, a new boundary survey for a re-plat is required only when the replat affects any boundary of the previously platted property or when improvements which may affect the boundary of the previously platted property have been made on the lands to be re-platted. The boundary survey must be performed and prepared under the responsible direction and supervision of a professional surveyor and mapper preceding the initial submittal of the plat to the City. This subsection does not restrict a legal entity from employing one professional surveyor and mapper to perform and prepare the boundary survey and another professional surveyor and mapper to prepare the plat.
 - a. Every plat offered for recording pursuant to the provisions of this part shall be prepared by a professional surveyor and mapper. The plat must be signed and sealed by that professional surveyor and mapper, who must state on the plat that the plat was prepared under his or her direction and supervision and that the plat complies with all the survey requirements of this part. Every plat must also contain the printed name and registration number of the professional surveyor and mapper directly below the statement required by this section, along with the printed name, address, and certificate of authorization number of the legal entity, if any. A professional surveyor and mapper practicing independently of a legal entity

must include his or her address.

3. A title opinion of an attorney at law licensed in Florida or a certification by an abstractor or a title company showing that record title to the land as described and shown in the proposed subdivision and subsequent plat or re-plat is in the name of the person, persons, corporation, or executing the dedication. The title opinion or certification shall also show all mortgages not satisfied or released of record nor otherwise terminated by law.
4. The title under which the subdivision is to be recorded, the names of the developer, the engineer, the surveyor, architect and land planner, the tax parcel number(s) and Section, Township, and Range.
 - a. Every subdivision shall be given a name by which it shall be legally known. For the purpose of this section, that name is the "primary name." The primary name shall not be the same or in any way so similar to any name appearing on any recorded plat in the same county as to confuse the records or to mislead the public as to the identity of the subdivision, except when the subdivision is further divided as an additional unit or section by the same developer or the developer's successors in title. In that case, the additional unit, section, or phase shall be given the primary name followed by the unit, section, or phase number. Words such as "the," "re-plat," or "a" may not be used as the first word of the primary name. Every subdivision's name shall have legible lettering of the same size and type, including the words "section," "unit," or "phase." If the word "re-plat" is not part of the primary name, then it may be of a different size and type. The primary name of the subdivision shall be shown in the dedication and shall coincide exactly with the subdivision name.
 - b. Any change in a plat, except as provided in s. 177.141, shall be labeled a "re-plat," and a re-plat must conform with this part. After the effective date of this act, the terms "amended plat," "revised plat," "corrected plat," and "re-subdivision" may not be used to describe the process by which a plat is changed.
5. A location map to show the relationship of the proposed development to existing community facilities, developments, and streets.
6. North point, scale, and date.
7. The location of present property and section lines, boundaries of incorporated areas, land description, existing streets and/or driveways within 150 feet of the property boundaries, buildings, wetlands, and other natural resources.
8. Existing utilities, including sanitary sewer, water, stormwater, electricity lines, telephone, gas, cable television, etc., within the parcel and immediately adjacent to it.
9. Contours of the land at one-foot intervals. Contours shall be based on National Geodetic Vertical Datum 1929 or later.
10. Subsurface conditions of the parcel.
11. Approximate location of the 100-year floodplain and data used to establish

its location.

12. The names and boundaries of all adjoining subdivisions. The names of record owners and City tax parcel numbers of all adjoining parcels of un-subdivided land. Adjoining land uses, in accordance with the City of Marathon Future Land Use Map shall also be shown.

13. A statement of utility plan indicating types and provider of services.

14. The location of all existing lots must be shown. Proposed lot lines and areas must be shown as well and meet the standards set out in Table ~~102.46.1~~ **102.47.1**

AUTHORITY

Section 102.26. Planning Commission Recommendation.

- A. *Authority:* The PC shall consider a proposed text amendment at the request of the Council.
- B. *Review Criteria:* The PC shall review such proposed amendment, based upon the criteria listed below:
1. The need and justification for the change;
 2. The consistency of the proposed amendment with the Comprehensive Plan; and
 3. Whether the proposed change shall further the purposes of the LDRs, and other City Codes, regulations and actions designed to implement the Comprehensive Plan.
- C. *Findings:* The PC shall make a finding of whether the proposed amendment is consistent with the Comprehensive Plan and a recommendation shall be prepared and forwarded to the Council, indicating if the proposed amendment should be:
1. Approved as proposed;
 2. Approved with amendments proposed by the PC; or
 3. Denied

Section 102.27. - Hearing(s) by Council.

- A. The decision to process a text amendment is within the sole discretion of the Council.
- B. For any proposed text amendment, the Council shall hold a minimum of two (2) public hearings, conforming to the requirements of Fla. Stat. Ch. 166, before taking action on the amendment.

Section 102.28. - Action by Council.

Following the public hearings, the Council shall make a finding of whether the proposed text amendment is consistent with the Comprehensive Plan and may approve, approve with changes, or deny the proposed amendment.

As noted, review of proposed LDR text amendments is to be made based on three basic criteria: need and justification for change, consistency with the adopted Comprehensive Plan, and whether the proposed amendment will further the purposes of the LDRs, other ordinances, and actions taken to further the implementation of the Comprehensive Plan. The Planning Commission, in reviewing the proposed amendment, may recommend approval as is, approval with changes, or denial to the City Council.

ANALYSIS OF LAND DEVELOPMENT REGULATION TEXT AMENDMENTS:

Section 102.26(B) of the Land Development Regulations requires that the following standards and criteria be considered for any proposed text amendment. Each criterion and explanation of relevance to this proposed amendment are listed below:

A. The need and justification for the change;

Change of **Table 102.46.1**, Minimum/Maximum Subdivided Lot Area & Front Lot Width. This change

corrects mathematical errors created in revision of this section by Ordinance 2017-02, enacted February 28, 2017. This change corrects the mathematical errors and clarifies the table's purpose.

Add **Table 102.47.1**, Minimum Minor and Major Subdivision Lot Area & Front Lot Width. This table corrects an inaccurate table reference in Section, 102.47 and clarifies the requirements for Minor and Major Subdivisions.

B. The consistency of the proposed amendment with the Comprehensive Plan; and

The proposed text amendment is consistent with the Comprehensive Plan and LDRs providing compliance with State law and consistency within current City code.

C. Whether the proposed change shall further the purposes of the LDRs, and other City Codes, regulations and actions designed to implement the Comprehensive Plan.

The proposed text amendments further the purposes of the LDRs and other City Codes, regulations and actions designed to implement the Comprehensive Plan by code consistency.

CONCLUSION:

Staff indicates that the proposed text amendments are consistent with the standards and tenants of Chapter 163 and 380 F.S., and the City's Comprehensive Plan adopted under the requirements of these statutes and rules.

RECOMMENDATION:

Planning Staff recommends approval to City Council of the proposed text amendments as consistent with the standards and tenants of Chapter 163 and 380 F.S., and the City's Comprehensive Plan adopted under. The Planning Commission met on September 19, 2022 and recommended approval unanimously (5/0).

SECTION 2. Amend Chapter 102, Article 10 to read as follows:

Section 102.46 Simple Subdivision

A. Application Requirements: The submittal requirements and review procedure for all requests for a simple subdivision shall be in accordance with Chapter 102 and shall provide the following minimal information:

1. Proof of Ownership of the parcel or parcels proposed for simple subdivision or reconfiguration.
2. An independent survey of each of the proposed parcels or reconfigured parcels including an identification of the parent parcel in the survey.

B. Review and Approval Procedure

1. The Director or his designee shall review the applicant for the proposed simple subdivision taking the following criteria into consideration:
 - a. The Simple Subdivision procedure is an administrative process carried out by the Director in coordination with other City staff including the Public Works and Utilities Directors.
 - b. With the exception of the proposed subdivision of a parcel with a duplex residence, the resultant parcels of a simple subdivision or reconfiguration shall meet all of the minimum lot area, density, intensity, clustering, and dimension requirements of the City's Land Development Regulations.
 - c. Otherwise, the following requirements of the following subsections apply.

C. Notice

1. Notice is not required for a Simple Subdivision.
- D. Approval of a Simple Subdivision is a ministerial function which should generally receive approval so long as all criteria in the review process are met.
- E. Division of one (1) parcel into two (2) parcels: A legal lot of record may be divided into two (2) separate lots, parcels, tracts or other subdivision of land, without complying with the subdivision requirements of this article, through the simple subdivision review process, provided all of the conditions below are met:
1. The legal lot of record has frontage on and has direct access to an existing publicly maintained street. The access may be provided by a legally established joint driveway access to the public street in lieu of public street frontage for both lots upon approval by the City and City Attorney. Section 102.47 Minor And Major Subdivision

A. Application Requirements: The submittal requirements and review procedure for all minor and major subdivision development plans shall be in accordance with Chapter 102 and shall provide the following minimal information:

The preliminary subdivision plan for both a minor or major subdivision (and plat) shall be submitted on black or blue line prints drawn at an acceptable scale such as 50 feet to the inch on sheets no larger than 34 by 44 inches. The principle difference between a Minor and Major Subdivision lies in whether the subdivision proposes the approval of new streets which may be ultimately be dedicated to the City of Marathon (or remain as private streets). The plan drawing shall include the following:

1. All materials required under Section 102.01 "Application Forms", except as modified by specific requirements below.
2. A boundary survey of the lands to subdivided and platted. However, a new boundary survey for a re-plat is required only when the replat affects any boundary of the previously platted property or when improvements which may affect the boundary of the previously platted property have been made on the lands to be re-platted. The boundary survey must be performed and prepared under the responsible direction and supervision of a professional surveyor and mapper preceding the initial submittal of the plat to the City. This subsection does not restrict a legal entity from employing one professional surveyor and mapper to perform and prepare the boundary survey and another professional surveyor and mapper to prepare the plat.
 - a. Every plat offered for recording pursuant to the provisions of this part shall be prepared by a professional surveyor and mapper. The plat must be signed and sealed by that professional surveyor and mapper, who must state on the plat that the plat was prepared under his or her direction and supervision and that the plat complies with all of the survey requirements of this part. Every plat must also contain the printed name and registration

number of the professional surveyor and mapper directly below the statement required by this section, along with the printed name, address, and certificate of authorization number of the legal entity, if any. A professional surveyor and mapper practicing independently of a legal entity must include his or her address.

3. A title opinion of an attorney at law licensed in Florida or a certification by an abstractor or a title company showing that record title to the land as described and shown in the proposed subdivision and subsequent plat or re-plat is in the name of the person, persons, corporation, or executing the dedication. The title opinion or certification shall also show all mortgages not satisfied or released of record nor otherwise terminated by law.

4. The title under which the subdivision is to be recorded, the names of the developer, the engineer, the surveyor, architect and land planner, the tax parcel number(s) and Section, Township, and Range.

a. Every subdivision shall be given a name by which it shall be legally known. For the purpose of this section, that name is the "primary name." The primary name shall not be the same or in any way so similar to any name appearing on any recorded plat in the same county as to confuse the records or to mislead the public as to the identity of the subdivision, except when the subdivision is further divided as an additional unit or section by the same developer or the developer's successors in title. In that case, the additional unit, section, or phase shall be given the primary name followed by the unit, section, or phase number. Words such as "the," "re-plat," or "a" may not be used as the first word of the primary name. Every subdivision's name shall have legible lettering of the same size and type, including the words "section," "unit," or "phase." If the word "re-plat" is not part of the primary name, then it may be of a different size and type. The primary name of the subdivision shall be shown in the dedication and shall coincide exactly with the subdivision name.

b. Any change in a plat, except as provided in s. 177.141, shall be labeled a "re-plat," and a re-plat must conform with this part. After the effective date of this act, the terms "amended plat," "revised plat," "corrected plat," and "re-subdivision" may not be used to describe the process by which a plat is changed.

SECTION 3. All other existing provisions of Appendix A, “Land Development Regulations,” Chapter 102, of the Code of Ordinance of the City of Marathon, Florida shall be renumbered accordingly.

SECTION 4 The Provisions of the Code of Ordinances, City of Marathon, Florida and all Ordinances or parts of Ordinances in conflict with the provisions of this Ordinance are hereby repealed.

SECTION 5. The provisions of this Ordinance are declared to be severable, and if any sentence, section, clause or phrase of this Ordinance shall, for any reason, be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sentences, sections, clauses or phrases of the Ordinance, but they shall remain in effect it being the legislative intent that this Ordinance shall stand notwithstanding the invalidity of any part.

SECTION 6. It is the intention of the City Council and it is hereby ordained the provisions of this Ordinance shall become and be made part of the Marathon Code, that sections of this Ordinance may be renumbered or re-lettered to accomplish such intentions, and that the word “Ordinance” shall be changed to “Section” or other appropriate word.

SECTION 7. The provisions of this Ordinance constitute a “land development regulation” as state law defines that term. Accordingly, the City Clerk is authorized and directed to forward a copy of this Ordinance to the State Department of Economic Opportunity for approval pursuant to Sections 380.05(6) and (11), Florida Statutes.

SECTION 7. This Ordinance shall be effective immediately upon approval by the State Department of Economic Opportunity pursuant to Chapter 380, Florida Statutes.
