ORDINANCE NO. 2023-

AN ORDINANCE OF BRADFORD COUNTY, FLORIDA GRANTING TO FLORIDA POWER & LIGHT COMPANY, ITS SUCCESSORS AND ASSIGNS, AN ELECTRIC FRANCHISE; IMPOSING PROVISIONS AND CONDITIONS RELATING THERETO; PROVIDING FOR MONTHLY PAYMENTS TO BRADFORD COUNTY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Bradford County (hereinafter "County") recognizes that the citizens of the County need and desire the benefits of electric service; and

WHEREAS, the provision of such service requires substantial investments of capital and other resources in order to construct, maintain and operate facilities essential to the provision of such service in addition to costly administrative functions, and the County does not desire to undertake to provide such services; and

WHEREAS, Florida Power & Light Company (hereinafter "FPL") is a public utility which has the demonstrated ability to supply such services; and

WHEREAS, FPL and the County desire to enter into a new franchise agreement providing for the payment of fees to the County in exchange for the nonexclusive right and privilege of supplying electricity and other services throughout the County free of competition from the County, pursuant to certain terms and conditions;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF BRADFORD COUNTY, FLORIDA:

Section 1. The above recitals are hereby found to be true and correct and

are adopted and approved as if set forth fully herein.

Section 2. There is hereby granted to Florida Power & Light Company, its successors and assigns (herein called the "Grantee"), for the period of 30 years from the effective date hereof, the non-exclusive right, privilege and franchise (herein called "franchise") to construct, operate and maintain in, under, upon, along, over and across the present and future roads, streets, alleys, bridges, easements, rights-of-way and other public places (herein called "public rights-of-way") throughout all of the unincorporated areas, as such unincorporated areas may be constituted from time to time, of Bradford County, Florida, and its successors (herein called the "Grantor"), in accordance with the Grantee's customary practice with respect to construction and maintenance, electric light and power facilities, including, without limitation, conduits, poles, wires, transmission and distribution lines, and all other facilities installed in conjunction with or ancillary to all of the Grantee's operations (herein called "facilities"), for the purpose of supplying electricity and other services to the Grantor and its successors, the inhabitants thereof, and persons beyond the limits thereof.

Section 3. The facilities of the Grantee shall be installed, located or relocated so as to not unreasonably interfere with traffic over the public rights-of-way or with reasonable egress from and ingress to abutting property. To avoid conflicts with traffic, the location or relocation of all facilities shall be made as representatives of the Grantor may prescribe in accordance with the Grantor's reasonable rules and regulations with reference to the placing and maintaining in, under, upon, along, over and across said public rights-of-way; provided, however, that such rules or

regulations: (a) shall not prohibit the exercise of the Grantee's right to use said public rights-of-way for reasons other than unreasonable interference with motor vehicular traffic; (b) shall not unreasonably interfere with the Grantee's ability to furnish reasonably sufficient, adequate and efficient electric service to all of its customers; and (c) shall not require the relocation of any of the Grantee's facilities installed before or after the effective date hereof in public rights-of-way unless or until widening or otherwise changing the configuration of the paved portion of any public right-of-way used by motor vehicles causes such installed facilities to unreasonably interfere with motor vehicular traffic. Such rules and regulations shall recognize that above-grade facilities of the Grantee installed after the effective date hereof should be installed near the outer boundaries of the public rights-of-way to the extent possible. When any portion of a public right-of-way is excavated by the Grantee in the location or relocation of any of its facilities, the portion of the public right-of-way so excavated shall within a reasonable time be replaced by the Grantee at its expense and in as good condition as it was at the time of such excavation. The Grantor shall not be liable to the Grantee for any cost or expense in connection with any relocation of the Grantee's facilities required under subsection (c) of this Section, except, however, the Grantee shall be entitled to reimbursement of its costs from others and as may be provided by law.

Section 4. The Grantor shall in no way be liable or responsible for any accident or damage that may occur in the construction, operation or maintenance by the Grantee of its facilities hereunder, and the acceptance of this ordinance shall be deemed an agreement on the part of the Grantee to indemnify the Grantor and hold

it harmless against any and all liability, loss, cost, damage or expense which may accrue to the Grantor by reason of the negligence, default or misconduct of the Grantee in the construction, operation or maintenance of its facilities hereunder.

Section 5. All rates and rules and regulations established by the Grantee from time to time shall be subject to such regulation as may be provided by law.

Section 6. As a consideration for this franchise, the Grantee shall pay to the Grantor, commencing 90 days after the effective date hereof, and each month thereafter for the remainder of the term of this franchise, an amount which added to the amount of all licenses, excises, fees, charges and other impositions of any kind whatsoever (except ad valorem property taxes and non-ad valorem tax assessments on property) levied or imposed by the Grantor against the Grantee's property, business or operations and those of its subsidiaries during the Grantee's monthly billing period ending 60 days prior to each such payment will equal six percent (6%) of the Grantee's billed revenues, less actual write-offs, from the sale of electrical energy to residential, commercial and industrial customers (as such customers are defined by FPL's tariff) within the unincorporated areas of the Grantor for the monthly billing period ending 60 days prior to each such payment, and in no event shall payment for the rights and privileges granted herein exceed six percent (6%) of such revenues for any monthly billing period of the Grantee.

The Grantor understands and agrees that such revenues as described in the preceding paragraph are limited to the precise revenues described therein, and that such revenues do not include, by way of example and not limitation:

(a) revenues from the sale of electrical energy for Public Street and Highway

Lighting (service for lighting public ways and areas);

(b) revenues from Other Sales to Public Authorities (service with eligibility restricted to governmental entities);

(c) revenues from Sales to Railroads and Railways (service supplied for propulsion of electric transit vehicles);

(d) revenues from Sales for Resale (service to other utilities for resale purposes);

(e) franchise fees;

(f) Late Payment Charges;

(g) Field Collection Charges;

(h) other service charges.

Section 7. The County shall, as provided herein, have the right to change the percentage remitted by the County to any rate between 0.5 percent and 6.0 percent. The County shall not exercise such right more than once in any calendar year. If the County changes the rate, County shall give Franchisee at least 60 days advance written notice prior to the effective date of the new rate, which date shall always be on the first day of a "billing cycle" of the Grantee, and the Grantee shall have 60 days after such new effective date to begin remitting the fee provided for herein to the County.

Section 8. As a further consideration, during the term of this franchise or any extension thereof, the Grantor agrees: (a) not to engage in the distribution and/or sale, in competition with the Grantee, of electric capacity and/or energy to any ultimate consumer of electric utility service (herein called a "retail customer") or to

any electrical distribution system established solely to serve any retail customer formerly served by the Grantee; (b) not to participate in any proceeding or contractual arrangement the purpose or terms of which would be to obligate the Grantee to transmit and/or distribute, electric capacity and/or energy from any person to any other retail customer's facilities; and (c) not to seek to have the Grantee transmit and/or distribute electric capacity and/or energy generated by or on behalf of the Grantor at one location to the Grantor's facilities at any other location. Nothing specified above shall prohibit the Grantor from engaging with other persons in wholesale transactions which are subject to the provisions of the Federal Power Act.

Nothing herein shall prohibit the Grantor, if permitted by law, (i) from purchasing electric capacity and/or energy from any other person, or (ii) from seeking to have the Grantee transmit and/or distribute to any facilities of the Grantor electric capacity and/or energy purchased by the Grantor from any other person; provided, however, that before the Grantor elects to purchase electric capacity and/or energy from any other person for consumption in any facilities being served by the Grantee before such election, the Grantor shall notify the Grantee in writing. Such notice shall include a summary of the specific rates, terms and conditions which have been offered by the other person and identify the Grantor's facilities to be served under the offer. The Grantee shall thereafter have 90 days to evaluate the other person's offer and, if the Grantee agrees to meet or beat the other person's offer, the Grantor shall be obligated to continue to purchase from the Grantee electric capacity and/or energy to serve the Grantor's identified facilities for a term no shorter than that offered by the other person.

Section 9. If the Grantor grants a right, privilege or franchise to any other person or otherwise enables any other such person to construct, operate or maintain electric light and power facilities within any part of the unincorporated areas of the Grantor in which the Grantee may lawfully serve or compete on terms and conditions which the Grantee determines are more favorable than the terms and conditions contained herein, the Grantee may at any time thereafter terminate this franchise if such terms and conditions are not remedied within the time period provided hereafter. The Grantee shall give the Grantor at least 60 days advance written notice of its intent to terminate. Such notice shall, without prejudice to any of the rights reserved for the Grantee herein, advise the Grantor of such terms and conditions that it considers more favorable. The Grantor shall then have 60 days in which to correct or otherwise remedy the terms and conditions complained of by the Grantee. If the Grantee determines that such terms or conditions are not remedied by the Grantor within said time period, the Grantee may terminate this agreement by delivering written notice to the Grantor's Clerk and termination shall be effective on the date of delivery of such notice.

Section 10. If as a direct or indirect consequence of any legislative, regulatory or other action by the United States of America or the State of Florida (or any department, agency, authority, instrumentality or political subdivision of either of them) any person is permitted to provide electric service within the unincorporated areas of the Grantor to a customer then being served by the Grantee, or to any new applicant for electric service within any part of the unincorporated areas of the Grantor in which the Grantee may lawfully serve, and the Grantee determines that

its obligations hereunder, or otherwise resulting from this franchise in respect to rates and service, place it at a competitive disadvantage with respect to such other person, the Grantee may, at any time after the taking of such action, terminate this franchise if such competitive disadvantage is not remedied within the time period provided hereafter. The Grantee shall give the Grantor at least 90 days advance written notice of its intent to terminate. Such notice shall, without prejudice to any of the rights reserved for the Grantee herein, advise the Grantor of the consequences of such action which resulted in the competitive disadvantage. The Grantor shall then have 90 days in which to correct or otherwise remedy the competitive disadvantage. If such competitive disadvantage is not remedied by the Grantor within said time period, the Grantee may terminate this agreement by delivering written notice to the Grantor's Clerk and termination shall take effect on the date of delivery of such notice.

Section 11. Failure on the part of the Grantee to comply in any substantial respect with any of the provisions of this franchise shall be grounds for forfeiture, but no such forfeiture shall take effect if the reasonableness or propriety thereof is protested by the Grantee until there is final determination (after the expiration or exhaustion of all rights of appeal) by a court of competent jurisdiction that the Grantee has failed to comply in a substantial respect with any of the provisions of this franchise, and the Grantee shall have six months after such final determination to make good the default before a forfeiture shall result with the right in the Grantor at its discretion to grant such additional time to the Grantee for compliance as necessities in the case require.

Section 12. Failure on the part of the Grantor to comply in substantial

respect with any of the provisions of this ordinance, including:

(a) denying the Grantee use of public rights-of-way for reasons other than unreasonable interference with motor vehicular traffic;

(b) imposing conditions for use of public rights-of-way contrary to Florida law or the terms and conditions of this franchise;

(c) unreasonable delay in issuing the Grantee a use permit, if any, to construct its facilities in public rights-of-way, shall constitute breach of this franchise and entitle the Grantee to withhold all or part of the payments provided for in Section 6.

hereof until such time as a use permit is issued or a court of competent jurisdiction has reached a final determination in the matter. The Grantor recognizes and agrees that nothing in this franchise constitutes or shall be deemed to constitute a waiver of the Grantee's delegated sovereign right of condemnation and that the Grantee, in its sole discretion, may exercise such right.

Section 13. The Grantor may, upon reasonable notice and within 90 days after each anniversary date of this franchise, at the Grantor's expense, examine the records of the Grantee relating to the calculation of the franchise payment for the year preceding such anniversary date. Such examination shall be during normal business hours at the Grantee's office where such records are maintained. Records not prepared by the Grantee in the ordinary course of business may be provided at the Grantor's expense and as the Grantor and the Grantee may agree in writing. Information identifying the Grantee's customers by name or their electric consumption shall not be taken from the Grantee's premises. Such audit shall be

impartial and all audit findings, whether they decrease or increase payment to the Grantor, shall be reported to the Grantee. The Grantor's right to examine the records of the Grantee in accordance with this section shall not be conducted by any third party employed by the Grantor whose fee, in whole or part, for conducting such audit is contingent on findings of the audit.

Section 14. The provisions of this ordinance are interdependent upon one another, and if any of the provisions of this ordinance are found or adjudged to be invalid, illegal, void or of no effect, the entire ordinance shall be null and void and of no force or effect.

Section 15. As used herein "person" means an individual, a partnership, a corporation, a business trust, a joint stock company, a trust, an unincorporated association, a joint venture, a governmental authority or any other entity of whatever nature.

Section 16. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 17. A certified copy of this ordinance shall be filed by the Grantor with the Florida Department of State within 10 days after its enactment. As a condition precedent to the taking effect of this ordinance the Grantee shall file its written acceptance hereof with the Grantor's Clerk within 30 days of enactment of this ordinance. The effective date of this ordinance shall be the date upon which the Grantee files such acceptance.
