This is an opportunity for our citizens to talk to us collectively on any subject that is not identified on the meeting agenda. The Town’s Rules for Conducting Town Council meetings are set forth in Resolution 2024-09 and include the following guidelines:*

- *Citizens are provided with **5 minutes** at each meeting to speak on one or more issues that are not otherwise placed on the meeting agenda.*

*While some questions may be able to be addressed at this meeting, others may require research or more information than we have readily available from our staff, so we may have to defer the response to you until we have that information. Also, depending on the type of issue, we may place the matter on a properly noticed subsequent meeting agenda. As a Council, we welcome the opportunity to hear from you and hope you will speak with us not only during Citizen Participation but outside of these meetings. We understand the formal nature of this meeting, but rest assured, we want to hear from you, we want to address your concerns, and we are appreciative of your involvement.*

Items on the consent agenda are not subject to discussion. **Any member of the Town Council may remove any item from the consent agenda simply by verbal request at the Town Council meeting.** Removing an item from the consent agenda does not require a motion, second or a vote; it would simply be a unilateral request of an individual Council member and this item would then be added as the last item under New Business.
