ARTICLE V. SEXUAL OFFENDERS AND SEXUAL PREDATORS:

Sec. 16-60 Findings and intent.

- (a) Repeat sexual offenders, sexual offenders who use physical violence, sexual offenders who prey on children and sexual predators present an extreme threat to the public safety. A majority of the victims of sexual crimes are minors, for whom these physical assaults can cause long term psychological impacts to the young victims and their families. More often than not, victimization of children goes unreported, making the cost of sexual offender victimization to society at large, while incalculable, clearly exorbitant.
- (b) It is the intent of this Article to promote, protect and improve the health, safety and welfare of the City's citizens by creating areas around locations where children regularly congregate in concentrated numbers, where certain sexual offenders and sexual predators are prohibited from establishing a temporary or a permanent residence, in order to reduce opportunities for the sexual victimization of children

Sec. 16-61 Definitions.

The following words, terms and phrases, when used in this Article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

"School" means an organization of students for instructional purposes on an elementary, middle or junior high school, secondary or high school, or other public school level authorized under rules of the State Board of Education, both public and private, voluntary prekindergarten education programs, the Florida School for the Deaf and the Blind, and the Florida Virtual School, but does not include facilities dedicated exclusively to the education of adults.

"Temporary residence" means a place where the person abides, lodges or resides for a period of 14 or more days in the aggregate during any calendar year and which is not the person's permanent address, or a place where the person routinely abides, lodges or resides for a period of 4 or more consecutive or nonconsecutive days in any month and which is not the person's permanent residence.
