Agenda Memorandum

To: Honorable Mayor and City Council Members

Prepared By: Michael Kushi, Information Technology Director

From: Bryan Cobb, City Manager

Date: November 2, 2026

Subject: **Resolution No. 4764-26,** Seminole County redundant fiber installation.

Procedure: Consent Agenda

Introduction: This is a request for City Council to approve piggybacking an existing contract between Seminole County and Advanced Cabling Solutions, Inc. for the installation of fiber optic cable which will provide a redundant route for City network communications.

Discussion: The City entered a Fiber Optic Communications Network Interlocal Agreement with Seminole County in April 2005 for access to the county's Fiber Optic Communications Network (FOCN). The agreement provides for the sharing of physical fiber, construction management, and shared maintenance costs. Fiber Optic installations for sole use by the City will be funded by the City, joint projects with the County will be funded jointly. Currently, the annual maintenance fee is assessed at $0.14 per linear foot or $20,866.60 for FY 25/26. A copy of the FOCN agreement is included in Attachment 1.

Redundant fiber optic cable is a backup optical communication path used to maintain network uptime and prevent service interruptions if a portion of the fiber network is unavailable. The redundant fiber is typically installed along a different path with a different entry point into a building rather than using a single-entry point. This allows for quick failover on the fiber network and reduced downtime.

Staff recommends piggybacking Seminole County contract #IFB604992-25LAS with Advanced Cabling Solutions, Inc. A copy of the piggyback agreement is provided in Exhibit 1 of Resolution No. 4764-26. A quote for the installation of redundant fiber optic cable by Advanced Cabling Services, Inc. is provided in Attachment 2. The cost of the redundant fiber installation is $109,797.39.

Details regarding the installation, location, maps, and other details of the fiber optic installation are considered confidential and are exempt from public record requests or discussion in public meetings per Section 119.071(f)(1), Florida Statutes, General exemptions from inspection or copying of public records. A copy of Section 119.071(f)(1), Florida Statutes, is provided in Attachment 3 highlighted in yellow.

Budget Impact: The cost of the redundant fiber installation of $109,797.39 is not included in the FY 26/27 budget. A budget amendment transferring $110,000 from General Fund, Fund Balance to the project construction account in the Technology Improvements Fund, Fund 320, is provided in Exhibit 2 of Resolution No. 4764-26.

Strategic Impact: The installation of redundant fiber optic cable meets the strategic goal to advance the resilience of existing infrastructure.

Recommendation: It is recommended that City Council adopt Resolution No. 4764-26

I of the State Constitution. A person who has taken such an examination has the right to review his or her own completed examination.

(b)1. For purposes of this paragraph, "competitive solicitation" means the process of requesting and receiving sealed bids, proposals, or replies in accordance with the terms of a competitive process, regardless of the method of procurement.

2. Sealed bids, proposals, or replies received by an agency pursuant to a competitive solicitation are exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of an intended decision or until 30 days after opening the bids, proposals, or final replies, whichever is earlier.

3. If an agency rejects all bids, proposals, or replies submitted in response to a competitive solicitation and the agency concurrently provides notice of its intent to reissue the competitive solicitation, the rejected bids, proposals, or replies remain exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of an intended decision concerning the reissued competitive solicitation or until the agency withdraws the reissued competitive solicitation. A bid, proposal, or reply is not exempt for longer than 12 months after the initial agency notice rejecting all bids, proposals, or replies.

(c) Any financial statement or other financial information necessary to verify the financial adequacy of a prospective bidder which an agency requires a prospective bidder to submit in order to prequalify for bidding or for responding to a solicitation for a road or any other public works project is exempt from s. 119.07(1) and s. 24(a), Art. (5) OTHER PERSONAL INFORMATION.—

(a)1.a. The Legislature acknowledges that the social security number was never intended to be used for business purposes but was intended to be used solely for the administration of the federal Social Security System. The Legislature is further aware that over time this unique numeric identifier has been used extensively for identity verification purposes and other legitimate consensual purposes.

b. The Legislature recognizes that the social security number can be used as a tool to perpetuate fraud against an individual and to acquire sensitive personal, financial, medical, and familial information, the release of which could cause great financial or personal harm to an individual.

c. The Legislature intends to monitor the use of social security numbers held by agencies in order to maintain a balanced public policy.

2.a. An agency may not collect an individual's social security number unless the agency has stated in writing the purpose for its collection and unless it is:

(II) Imperative for the performance of that agency's duties and responsibilities as prescribed by law.

b. An agency shall identify in writing the specific federal or state law governing the collection, use, or release of social security numbers for each purpose for which the agency collects the social security number, including any authorized exceptions that apply to such collection, use, or release. Each agency shall ensure that the collection, use, or release of social security numbers complies with the specific applicable federal or state law.

c. Social security numbers collected by an agency may not be used by that agency for any purpose other than the purpose provided in the written statement.

3. An agency collecting an individual's social security number shall provide that individual with a copy of the written statement required in subparagraph 2. The written statement also shall state whether collection of the individual's social security number is authorized or mandatory under federal or state law.

4. Each agency shall review whether its collection of social security numbers is in compliance with subparagraph 2. If the agency determines that collection of a social security number is not in compliance with subparagraph 2., the agency shall immediately discontinue the collection of social security numbers for that purpose.

5. Social security numbers held by an agency are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.
