P3 **RESOLUTION NO. 06-29. A RESOLUTION VACATING A PORTION OF 68TH STREET NORTH (BAYOU STREET PER PLAT) GENERALLY LOCATED NORTH OF 94TH AVENUE AND SOUTH OF 96TH AVENUE. (V 2006-9 Islamic Society of Pinellas County, Inc./Victor Suhweil)**

PUBLIC HEARING, FIRST AND FINAL READING

NOTE: The applicant is requesting the vacation of the south 301 foot portion of 68th Street, a 30-foot-wide undeveloped right-of-way generally located between 94th Avenue and 96th Avenue. The applicant claims a problem of illegal dumping of refuse and trespassing and is requesting the vacation to be able to limit access to the area. At its meeting on July 6, 2006, the Planning and Zoning Commission recommended approval of the vacation subject to the retention of drainage and utility easements. The following Findings of Fact are pertinent to this request:

1. The vacation is consistent with the policies of the Comprehensive Plan.
2. The various utility agencies and City divisions have no objection to the vacation subject to the retention of a drainage and utility easement.
3. The vacation is inconsistent with the Land Development Regulations by creating a dead-end street; however, the street is currently unimproved and unconnected to 94th Avenue.

IV. CONSENT AGENDA

◆ **POLICE**

C1 **AWARD OF BID 06/024 – WEAPONS – PURCHASE AND TRADE – Lou’s Police & Security Equipment, Inc.**

NOTE: Bids were legally advertised and bid invitations were mailed to 35 prospective bidders. Two bids were received, which met the bid specifications, with Lou’s Police & Security Equipment, Inc. (4149 Palm Avenue, Hialeah, FL, 33012) being the low bidder with a bid submittal of \$66,329.60, less \$21,970.00 for trade in items for a total bid submittal of \$44,359.60. The amount budgeted for this portion of the Purchase of Replacement Weapons is \$108,000., (pg. 411 of the FY05/06 adopted budget). This project will be charged to account 301-281-5-623-06. We anticipate an additional agenda item will be presented at a future Council Meeting for the purchase of police carbine rifles.

◆ **PUBLIC WORKS**

- C2** **AWARD OF BID 05/017 – RECLAIMED WATER SYSTEM EXTENSION - 86TH AVE & 87TH AVE – Suncoast Development of Pinellas County, Inc.**

NOTE: Bids were legally advertised and bid invitations were mailed to 325 prospective bidders. Three (3) bids and two no-bids were received with Volt Information Sciences, Inc. being the apparent low bidder with a bid of \$118,450.00. However, this bidder proposed a deviation to their proposal which the Risk Management Director states does not meet the City’s insurance requirements. Additionally, the City Attorney has determined the bid to be non-responsive to the City’s Request for Bids as of the closing of the bidding period and that the contract must be awarded to the next low bidder. The next bidder meeting all contract requirements is Suncoast Development of Pinellas County, Inc. with a bid of \$128,441.25. Funds are available for this amount and can be found on page 414 of the 05/06 budget under account No. 301-381-5795-57, reclaimed water extensions.

ACTION: (Approve-Deny) Authorization to award Bid 05/017 for the Reclaimed Water System Extension to Suncoast Development, Inc., 2340 Destiny Way, Odessa, FL in the amount of \$128,441.25 to be charged to the appropriate account.

- C3** **WORK ORDER CHANGE NO. 2 FOR FDOT PROJECT US19 UTILITY ADJUSTMENT-State of Florida Department of Transportation**

NOTE: On 2 February 2006 City Council approved Resolution No. 04-08 which provided for the FDOT contractor to proceed with the adjustment of City utilities associated with the US 19 widening project between 49th St. and 126th Ave. at City expense. The estimated cost of these adjustments was \$206,498 and in June of 2006 we provided FDOT with a check for that amount. When FDOT opened bids for this project the bid from the lone bidder was \$186,802.42 higher than the estimate for utility adjustment. On 10 July 2006 the City received a letter from FDOT requesting a check for that amount. The City immediately began negotiations with FDOT to have that amount reduced. On 28 July 2006 we received a letter from FDOT and a copy of Utility Work Order No. 2 to have the City’s participation in the increased cost reduced to \$29,181.35 and FDOT’s participation amount to \$157,621.07. Funds are available for this project in account 301-381-5779-99 and can be found on page 413 of the FY 05/06.

The applicant is requesting waivers to the following: a change of use from wholesale/warehouse to light manufacturing, to allow outdoor storage, and to install mechanical equipment on the north side of the building. The original approval of the PUD for this site restricted outdoor storage or the placement of mechanical equipment on the north side of the building. The outdoor storage area proposed on the north side of the building will be utilized to store granite and is proposed to be enclosed by an eight-foot-high wall. The same area shall house the vacuum/dust collector system utilized by the applicants business. This case is scheduled to be heard by the Planning and Zoning Commission on August 3, 2006. Minutes from the meeting will be distributed to City Council prior to its consideration of this application.

2. The rezoning would not adversely affect the neighborhood.

The abutting Zoning Districts are: to the north, “CH” Heavy Commercial; to the south, “R-6” Multi-Family Residential/Commercial; to the east, “F” Farm; and to the west, “R-1” Single Family Residential.
