TO: Mayor and Commission **AGENDA DATE:** 02/16/09
FROM: Faith G. Miller, City Manager **AGENDA ITEM:** 10 – A
SUBJECT: Request Approval for Amendment to the State Housing Initiatives Partnership (SHIP) Program 2004-2006 Local Housing Assistance Plan and Authorization for Submission to Florida Housing Finance Corporation

BACKGROUND:

In April of 2004 the City Commission approved the State Fiscal Year 2004 – 2006 Local Housing Assistance Plan (LHAP) required to receive funding for affordable housing activities under the State Housing Initiatives (SHIP) Program. The LHAP covers activities funded under the grants for State Fiscal Year 2004/2005, 2005/2006, and 2006/2007, which includes the time period of July 1, 2004 through June 30, 2007.

Funding for each State Fiscal Year shall be expended within two years for compliance with expenditure deadlines. A minimum of 30% of funds shall be expended on very low income households per year for compliance with statutory set-a-sides. Approximately \$90,000 remains in un-programmed funds for program year 2006/2007.

Staff requests the following changes to the 2004-2006 LHAP for consistency in the administration of the down payment and foreclosure assistance activities utilizing previous year funding to meet construction and very low income household statutory set-a-side requirements for compliance with the June 30, 2009 expenditure deadline for State Fiscal Year 2006.

1. Purchase Assistance and Purchase Rehabilitation Assistance activities will be amended to reflect current Purchase Assistance strategy in the 2007-2009 LHAP approved by the City Commission on October 23, 2007.
2. Inclusion of the 2007-2009 LHAP Foreclosure Prevention strategy approved on November 8, 2008 in the 2007-2009 LHAP by the City Commission modified as directed by management to restrict assistance to very low income households; low and moderate income households are not eligible under the 2004-2006 LHAP.

3. Revisions to the 2004-2006 LHAP Foreclosure Prevention Strategy include the exclusion of assistance to SHIP and HHR 2nd/3rd mortgage holders as directed by management.

2004-2006 LHAP - Proposed Revisions: (see attached strike through and underline version)

The mission of Deltona's Affordable Housing Assistance Program is to develop and improve housing opportunities in the City of Deltona by reducing the cost of housing for eligible households, increasing the number of homeowners, and improving the City's existing housing stock.

D. Governance: Chapter 67-37.005(3) and (5)(i) F.A.C. and Section 420.9071(14) F.S.

The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37.007 Florida Administrative Code. The City of Deltona's Affordable Housing Assistance Program was enacted by the passage of Ordinance 08-2001 on May 7, 2001 and signed into law on May 7, 2001. The SHIP Program does further the housing element of the City's Comprehensive Plan.

E. Local Housing Partnership Section 420.9072(1)(a), F.S.

SHIP Program encourages building active partnerships between government, lenders, builders and developers, real estate professionals, advocates for low-income persons and community groups.

The City will continue to work with area lenders, housing builders and developers, real estate professionals, advocates for low-income persons, community-based housing and services agencies, and neighborhood associations to provide affordable housing opportunities to eligible households.

- F. Leveraging:** *Chapter 67-37.007(1)(b)(c), F.A.C. and Section 420.9075(1)(a) and (1)(b3, and (1)(c), F.S.*
The Plans are intended to increase the availability of affordable residential units by combining local resources and cost saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

When SHIP funds are combined with Florida Housing Finance Corporation Programs for purchase assistance, the City's Housing and Community Development Manager has the option of offering the City's SHIP funds as a 2nd or 3rd mortgage, zero-interest (0%) deferred loan for a term of up to 30 years.

Local SHIP funds will be leveraged with funds from the Community Development Block Grant (CDBG) Program, the U.S.D.A Rural Development Section 502 Program, the Federal Home Loan Bank, the FloridaFix Program, the Weatherization Assistance Program, the Solar Weatherization Assistance Program, the Hazard Mitigation Grant Program, FEMA, and other existing federal, state or locally funded programs designed to assist with affordable housing efforts as well as private funds.

- G. Public Input:** *Chapter 67-37.005(3), F.A.C.*
Public input was solicited through face to face meetings with local lenders, housing providers, social service providers, and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

- H. Advertising and Outreach** *Chapter 67-37.005(6)(a), F.A.C.*
The City of Deltona shall advertise the notice of funding availability in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required.

In addition, public meetings or forums will be held with local civic and church groups. Displays and brochures will be placed at public meeting places and facilities. The City will further promote program services to local lenders, housing providers and potential applicants through flyers and brochures, which describe available services and contact information.

I. Discrimination: *Section 420.9075(3)(c), F.S.*

In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, creed, religion, color, age, sex, marital status, familial status, national origin, or handicap in the award application process for eligible housing.

J. Support Services and Counseling: *Chapter 67-37.005(5)(g), F.A.C.*

Support services are available from various sources. Available support services may include but are not limited to:

- Homeownership Counseling (Pre and Post),
- Home Maintenance Classes, and
- Credit Counseling

The City of Deltona will also continue to coordinate with a number of entities that provide support services to those in need of affordable housing or other social services.

K. Purchase Price Limits: *Section 420.9075(4)(c), F.S. and Chapter 67-37.007(6)F.A.C.*

Purchase Price Limits: The sales price or value of new or existing eligible housing may not exceed 90% of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be that calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units, which can be lower but may not 90% of the median area purchase price established by the U.S. Treasury Department or as described above.

The methodology used by City of Deltona is:

- Bond Study Numbers provided by Florida Housing Finance Corporation
- Independent Study (copy attached)
- U.S. Treasury Department
- Local HFA Numbers

The purchase price limit for:

New & Existing Homes: \$189,683

The actual purchase price limits will be dependent upon the buyer's income and the long-term debt ratios described in Section I.L.

L. Income Limits, Rent Limits and Affordability:

Chapter 67-37.005(5)(e), F.A.C. and Section 420.9071(2), F.S.

The Income Limits used in the SHIP Program are based upon annual projected household income, adjusted for family size, and updated annually by the U.S. Department of Housing and Urban Development and distributed by Florida Housing Finance Corporation.

Very-low is defined as total household income that does not exceed 50% of the area median income, low-income is defined as total household income above 50% of the area median income but not more than 80% of the area median income, and moderate income is defined as total household income above 80% of the area median income but not more than 120% of the area median income.

Affordable means that monthly mortgage payments including principal, interest, taxes, and insurance do not exceed 30% of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071 (19), (20) and (28), F.S. Also, total long-term debt shall not exceed 41% of the annual gross income for the households. However it is not the intent to limit an individual household's ability to devote more than 30% of its income for housing and 41% for long-term debt.

Housing for which a household devotes more than 30% of its income or long-term debt for which a household devotes more than 41% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark or long-term debt in excess of the 41% benchmark. Such mortgage payments or long-term debt in excess of the benchmarks will be considered on a case-by-case basis at the City's Housing Program discretion.

M. Wages to Work: *Chapter 67-37.005(6)(b)(7)F.A.C.*

Should a eligible sponsor be used, the city has developed a qualification system and selection criteria for applications for Awards to eligible sponsors, which includes a description that demonstrates how eligible sponsors that employed personnel from the WAGES and Workforce Development Initiatives programs will be given preference in the selection process.

N. Monitoring and First Right of Refusal: *Section 420.9075(3)(e)and (4) (f), F.S.*

Not Applicable.

O. Administrative Budget: *Chapter 67-37.005(6)(f)3, F.A.C..*

A detailed listing including line-item budget of proposed Administrative Expenditures is attached as Exhibit A. These are presented on an annual basis for each State fiscal year submitted.

The City of Deltona finds that the moneys deposited in the local housing assistance trust fund shall be used to administer and implement the Local Housing Assistance Plan. The cost of administering the plan may not exceed 5 percent of the local housing distribution moneys and program income deposited into the trust fund. An eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan. The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5% of program income deposited into the trust fund, except that small counties, as defined in s. 120.52(17), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.

The City of Deltona has adopted the above findings in the attached resolution, Exhibit E.

II. LHAP HOUSING STRATEGIES: Chapter 67-37.005(5), F.A.C.

A. Purchase Assistance Program:

a. Summary of the Strategy:

The Purchase Assistance Program assists first time homebuyers by providing funds for the downpayment and closing costs normally associated with the purchase of an existing home that requires minor repairs and/or aesthetic enhancements.

b. Fiscal Years Covered:

State Fiscal Years covered include 2004/2005, 2005/2006 and 2006/2007. The time period includes July 1, 2004 through June 30, 2007.

c. Income Categories to be served:

This strategy will assist household incomes at or below 120% of the area median income, adjusted for household size. Preference shall be given first to applicants below 50% of the area median household income.

The income limits for the SHIP Program are published by HUD and distributed by the Florida Housing Finance Corporation and will be adjusted annually upon receipt of the new limits without further approval by the City or state.

d. Maximum award as noted on the Housing Delivery Goals Charts:

Maximum award will be as follows:

INCOME LEVEL	INCENTIVE AREAS *	CITY - OTHER AREAS
Very-Low	\$40,000	\$37,500
Low	\$34,500	\$32,500
Moderate **	\$ 7,000	\$ 5,000

*— HUD-designated CDBG-Census Tracts and Block Groups as per map on page 38.

All minor repairs or enhancements must be performed as part of the purchase transaction (funds from the seller, buyer or SHIP put into an escrow account to pay contractors) or may be work that has been performed within the last twelve (12) months by the seller prior to closing and is documented via paid receipts and cancelled checks prior to the closing.

e. Terms, Recapture and Default

~~Purchase assistance will be provided in the form of a 2nd mortgage low interest (0% for Very Low Income, 1% for Low Income and 2% for Moderate Income) payback loan for a term of up to 30 years, with the option of a five-year deferment, if needed. The term of the payback loan is variable depending on the ability to pay when combined with all other debt. Before the closing, the term of the loan and the amount of the monthly payments will be determined.~~

~~When SHIP funds are combined with Florida Housing Finance Corporation Programs for purchase assistance, the City's Housing and Community Development Manager has the option of offering the City's SHIP funds as a 2nd or 3rd mortgage, zero interest (0%) deferred loan for a term of up to 30 years.~~

~~In cases of hardship (total debt to income ratio exceeds 45%) or on a case-by-case, the City's Housing and Community Development Manager has the option of offering the 2nd mortgage for purchase assistance in the form of a zero interest (0%) deferred loan for a term of 30 years.~~

~~Applicants who are on fixed incomes (SS, SSI, SSDI, disability, or pension) may receive a 2nd mortgage, zero interest, deferred payment, forgivable loan for a term of ten (10) years. On each of the first ten (10) anniversaries of the date of conveyance of title, ten percent (10%) of the amount owed will automatically be forgiven and will not have to be repaid.~~

~~The deferred loans and the remaining balance of payable or forgivable loans shall immediately become due and payable to the City if any of the following occurs:~~

- ~~▪ Homeowner sells, transfers, or disposes of the property by any means, including bankruptcy, foreclosure, or deed in lieu of foreclosure;~~
- ~~▪ Homeowner no longer occupies the unit as their principal residence;~~
- ~~▪ Homeowner dies, or if a married couple, the survivor dies; or~~
- ~~▪ Homeowner refinances their first mortgage or requires subordination for a new second mortgage.~~
- ~~▪ However, an heir may assume the debt as long as they are income eligible and become the owner-occupant.~~

~~Recipients of SHIP awards will be required to contractually commit to program guidelines. The recipients will execute a mortgage and a promissory note for the value of the award received. The mortgage encumbering the real property will promptly be recorded in the public records of the Clerk of Courts for Volusia County.~~

~~If conditions are found during the repair of the house that were not determined during the inspection, then additional funds may be provided as a direct grant to complete the necessary repairs subject to the maximum award indicated above not being exceeded. However, the City may also leverage with other strategies with the LHAP or with other state and/or federal programs as needed to meet the requirements of the additional cost.~~

~~Excess SHIP funds awarded may be used for pay-down on the interest rate, prepayment penalty, and principal on the note of the 1st mortgage.~~

~~f. Applicant Selection Criteria:~~

~~Applicant selection criteria for awarding SHIP funds to eligible households shall be "first come, first qualified, first served" basis. Compliance with the LHAP and statutory requirements pertinent to the percentage of households served by income will also be considered. The selection criteria include the following;~~

- ~~▪ The applicant must be a first-time homeowner, defined as persons or households that have not owned a home either jointly or individually, other than a mobile home or a manufactured (HUD-certified) home during the three-year period immediately prior to purchase with SHIP funds, except that the following persons or households shall not be excluded from consideration as a first-time homeowner:
 - ~~• Single parent, as defined by HUD~~
 - ~~• Displaced homemaker, as defined by HUD~~
 - ~~• A very low or low-income individual or household living in a substandard dwelling that cannot be brought into compliance with local building and housing codes for less than the cost of constructing a permanent structure. However, the appraised fair market value prior to sale, proceeds to the applicant from the sale (if under contract at the time of the SHIP closing) or the discounted net present worth of net rental income or the City's estimated net rental income for the next 12 months (if under contract at the time of the SHIP closing) of a mobile home or manufactured home will be included in the asset portion of determining eligibility.~~~~
- ~~▪ The applicant must be a U.S. Citizen or permanent Resident Alien (possessing a "Resident Alien Card")~~
- ~~▪ Very low income, low income, and moderate income households shall contribute a minimum of \$500, \$1,000 or \$1,500, respectively toward the purchase of the home. This may include "out of closing" expenses, provided that documentation of payment is received prior to the closing.~~
- ~~▪ At least one (1) member of the household is required to attend a pre-award Homebuyer Education Seminar as well as a post-closing Home Maintenance Class with the City's designated consultant (sponsor).~~

~~g. Sponsor Selection Criteria:~~

~~The City's Housing Program will contract with local qualified non-profit agencies and/or for-profit entities in conjunction with the City's Procurement Policy as adopted on October 1, 1999 to provide the following services:~~

~~h. Additional Information:~~

~~i. Property Criteria:~~

~~Must be located in the City of Deltona;~~

~~Must be vacant, owner-occupied, or currently rented by the applicant at the time of sale;~~

~~The applicant must have an accepted executed sales contract in their name to purchase the home;~~

~~The purchase price may not exceed the maximum sales price allowed in the SHIP program, as specified in section VI.A.3;~~

~~Any necessary repairs may not begin until after the closing;~~

Homes not built to Florida Building Codes and Standards, manufactured homes not approved by the Florida Department of Community Affairs and U.S. Department of Housing and Urban Development approved manufactured homes (mobile homes) are excluded.~~

~~Homes located in a Flood Hazard Zone must be insured with a Flood Insurance Policy, which must be maintained in force throughout the life of the SHIP mortgage.~~

~~Repairs to condominiums or townhouses shall exclude common areas, exterior structures that are the responsibility of the condominium or homeowners association, or areas where repairs would also involve work on a dwelling unit that is not being purchased by the applicant.~~

~~Existing homes must be at least 12 months (1 year) old. The home may be vacant, owner-occupied, or currently rented by the applicant at the time of sale. The home must meet all codes ensuring safe and decent housing and only be in need of minor repairs, weatherization, energy efficiency, and/or aesthetic enhancements.~~

~~A HQS home inspection may be conducted either by the applicant's certified housing inspector on the required HQS Inspection Form or the City Housing Program's designated HQS inspector.~~

B. Purchase Rehabilitation Assistance Program:

a. Summary of the Strategy:

The Purchase Rehabilitation Assistance Program assists first-time homebuyers by providing funds for the downpayment and closing costs normally associated with the purchase of an existing home that requires major repairs, including, but not limited to, new roof, new electrical system, new HVAC system, and/or new septic drainfield. Rehabilitation shall be defined as repairs or improvements that are needed for safe and sanitary habitation and the elimination of all code deficiencies. Houses that cannot be rehabilitated due to the extent of deterioration may have the option of being assisted with additional funds for the replacement of the dwelling with a new dwelling unit. Creation of additional living space to meet local zoning codes is also available.

b. Fiscal Years Covered:

State Fiscal Years covered include 2004/2005, 2005/2006 and 2006/2007. The time period includes July 1, 2004 through June 30, 2007.

c. Income Categories to be served:

This strategy will assist household incomes at or below 120% of the area median income, adjusted for household size. Preference shall be given first to applicants below 50% of the area median household income.

The income limits for the SHIP Program are published by HUD and distributed by the Florida Housing Finance Corporation and will be adjusted annually upon receipt of the new limits without further approval by the City or state.

d. Maximum award is noted on the Housing Delivery Goals Charts:

Maximum award will be as follows:

INCOME LEVEL	INCENTIVE AREAS *	CITY—OTHER AREAS
Very-Low	\$50,000	\$47,500
Low	\$44,500	\$42,500
Moderate	\$20,000	\$18,000

*—HUD-designated CDBG Census Tracts and Block Groups as per map on page 38.

All major repairs must be performed as part of the purchase transaction (SHIP funds put into an escrow account to pay contractors).

If it is determined that the cost of rehabilitation of the house would be cost prohibitive and it would be less expensive to demolish and rebuild the house, SHIP funds may be used toward the cost of demolition and preparation of the site for construction in addition to the downpayment/closing costs. The preliminary

~~expenses incurred under the SHIP program will be in the form of a grant or deferred paid loan. In this particular situation, the City may leverage with other strategies within the LHAP or with other state and/or federal programs as needed to meet the requirements of the additional cost.~~

~~e. Terms, Recapture and Default:~~

~~Assistance for this strategy will be provided in the form of a 2nd-mortgage low interest (0% for Very Low Income, 1% for Low Income and 2% for Moderate Income) payback loan for a term of up to 30 years, with the option of a five-year deferment, if needed. The term of the payback loan is variable depending on the ability to pay when combined with all other debt. Before the closing, the term of the loan and the amount of the monthly payments will be determined.~~

~~When SHIP funds are combined with Florida Housing Finance Corporation Programs for purchase assistance, the City's Housing and Community Development Manager has the option of offering the City's SHIP funds as a 2nd- or 3rd-mortgage, zero-interest (0%) deferred loan for a term of up to 30 years.~~

~~In cases of hardship (total debt to income ratio exceeds 45%) or on a case-by-case, the City's Housing and Community Development Manager has the option of offering the 2nd-mortgage for purchase assistance in the form of a zero-interest (0%) deferred loan for a term of 30 years.~~

~~Applicants who are on fixed incomes (SS, SSI, SSDI, disability, or pension) may receive a 2nd-mortgage, zero-interest, deferred payment, forgivable loan for a term of ten (10) years. On each of the first ten (10) anniversaries of the date of conveyance of title, ten percent (10%) of the amount owed will automatically be forgiven and will not have to be repaid.~~

~~The deferred loans and the remaining balance of payable or forgivable loans shall immediately become due and payable to the City if any of the following occurs:~~

- ~~▪ Homeowner sells, transfers, or disposes of the property by any means, including bankruptcy, foreclosure, or deed in lieu of foreclosure;~~
- ~~▪ Homeowner no longer occupies the unit as their principal residence;~~
- ~~▪ Homeowner dies, or if a married couple, the survivor dies; or~~
- ~~▪ Homeowner refinances their first mortgage or requires subordination for a new second mortgage.~~
- ~~▪ However, an heir may assume the debt as long as they are income eligible and become the owner-occupant.~~

~~Recipients of SHIP awards will be required to contractually commit to program guidelines. The recipients will execute a mortgage and a promissory note for the value of the award received. The mortgage encumbering the real property will~~

~~promptly be recorded in the public records of the Clerk of Courts for Volusia County.~~

~~If conditions are found during the rehabilitation of the house that were not determined during the inspection, then additional funds may be provided as a direct grant to complete the necessary repairs subject to the maximum award indicated above not being exceeded. However, the City may also leverage with other strategies within the LHAP or with other state and/or federal programs as needed to meet the requirements of the additional cost.~~

~~Excess SHIP funds awarded may be used for pay down on the interest rate, prepayment penalty, and principal on the note of the 1st mortgage.~~

~~f. Applicant Selection Criteria:~~

~~Applicant selection criteria for awarding SHIP funds to eligible households shall be "first come, first qualified, first served" basis. Compliance with the LHAP and statutory requirements pertinent to the percentage of households served by income will also be considered. The selection criterion includes the following;~~

- ~~▪ The applicant must be a first time homeowner, defined as persons or households that have not owned a home either jointly or individually, other than a mobile home or a manufactured (HUD certified) home during the three year period immediately prior to purchase with SHIP funds, except that the following persons or households shall not be excluded from consideration as a first time homeowner:~~

- ~~○ Displaced homemaker, as defined by HUD~~
- ~~○ A very low or low income individual or household living in a substandard dwelling that cannot be brought into compliance with local building and housing codes for less than the cost of constructing a permanent structure.~~

~~However, the appraised fair market value prior to sale, proceeds to the applicant from the sale (if under contract at the time of the SHIP closing) or the discounted net present worth of net rental income or the City's estimated net rental income for the next 12 months (if under contract at the time of the SHIP closing) of a mobile home or manufactured home will be included in the asset portion of determining eligibility.~~

- ~~▪ The applicant must be a U.S. Citizen or permanent Resident Alien (possessing a "Resident Alien Card")~~
- ~~▪ Very low income, low income, and moderate income households shall contribute a minimum of \$500, \$1,000 or \$1,500, respectively toward the purchase of the home. This may include "out of closing" expenses, provided that documentation of payment is received prior to the closing.~~

~~Any necessary repairs may not begin until after the closing;~~
